

Dear Partner:

AIDS Walk South Dallas, Inc. and J. Anderson Lester **AIDS Walk South Dallas 2017**. This event will be held on **Saturday, March 25, 2017** and funds raised will support the programs and services of AIDS Walk South Dallas, Inc. whose mission is to empower persons infected and affected by HIV/AIDS with emphasis on African-American MSM's, through prevention, advocacy, education, peer support and emergency financial assistance. Our walk headquarters is the historical Martin Luther King Jr. Community Center located at 2922 Martin Luther King Jr. Boulevard in Dallas. This will be a 5k walk/run and at the conclusion, there will be entertainment and other various activities for adults and children alike.

For the 7<sup>th</sup> year in a row, we are so thrilled to bring this event back to the South Dallas community where we indeed made a phenomenal positive impact with over 200 registered walkers and over 500 attendees. This year's theme "**Engage, Educate, Empower**" extends the mission which is to inspire, educate and galvanize the community of South Dallas and surrounding areas to continue to curb the spread of HIV/AIDS and assist those impacted.

AIDS Walk South Dallas will offer a variety of groups, nonprofits and businesses an amazing opportunity to make a difference and get your message out to the people that live and work in the Dallas area and abroad that are infected or impacted by HIV/AIDS. We want to invite you to be a part of this exciting event and hope that you will consider participating as a **VENDOR** for AIDS Walk South Dallas 2017.

There are also opportunities for individual walkers as well as teams. And of course we can never have too many volunteers! Walk Registration Forms and Volunteer Applications are available upon your request.
